

INFINITY PRINT SOLUTIONS

Infinity Pay As You Go

How it Works

Infinity Print Solutions will supply and install the printer with 2 sets of toner cartridges (one in the machine and 1 spare). In the costs of consumables, we include all labour costs of our service and maintenance call out capability (which is considerably more responsive than the Manufacturer's warranty service).

There are no long term contracts all we ask is you provide 30 days written notice if you wish to cancel this printer or your needs change and you require different options or facilities.

ECOSYS stands for ECOlogy, ECONomy and SYStem-printing. With their long-life components, ECOSYS devices are designed to maximise durability and minimise the total cost of ownership with regard to maintenance, administration and consumables. The cartridge-free system means that toner is the only consumable. The modular design concept allows you to add workflow enhancing functions as required. Integrated system software provides long-term cross network compatibility. KYOCERA's long-life components cost you and the environment less.

Environmental print features

Duplex print mode (Double sided printing), N-Up printing mode (N pages on 1 sheet), Toner save mode (Draft print mode), Quiet mode (reduced print speed).

KYOCERA NetViewer

KYOCERA NetViewer enables complete monitoring and control of all ECOSYS printers and digital KYOCERA multifunction units from any Windows® PC and thus provides ideal network administration. It also supports the standardised SNMP protocol.
